*Learn The Secrets Of Success From Australia's Leading Internet Expert*

---

As one of Australia's leading Internet experts, I've seen and done a lot on the Internet.

- Last week, Thursday at 2.10 pm to be precise, I launched a client's brand new web site.

By lunchtime the next day, the site had sales of \$30,000.

- One of our web sites did **\$20,000 a day in sales** after just a few short weeks of us launching it.
- We have another of our own sites that **makes up to \$260 per day** – and that little site **doesn't sell a thing!**

My favourite site took us **just 3 hours to build** and makes less than \$1 per day at present.

But it's the **perfect example** of a site that shows absolutely anyone can make a great income on the web.

## **Anyone Can Make Money Online I'll Show You How**

You don't need much to get started – a computer, a capacity to learn and a willingness to work. You can make money online within a matter of minutes of starting up.

And I'll show you how in a simple 2 hour seminar - "Home Business Success Made Easy" - on Wednesday 16 May at 7 pm at Robina Woods Golf Resort.

## **The Easiest Way To Earn Extra Money**

If you've been looking for the easiest way to make extra money (or even to build up your income so you can tell your boss where to go!), **then this is the seminar for you.**

## **Learn How To**

- Develop a web site for free within minutes (without needing any great skill)
- Make money without selling anything
- Attract visitors to your web site

## **Just Who Are We?**

My name is Brendon Sinclair from Tailored Consulting.

2. I write the SitePoint Tribune – an e-newsletter for web developers with **140,000 subscribers**.
